สภาอุตสาหกรรมแห่งประเทศไทย
THE FEDERATION OF THAI INDUSTRIES

Confidence Building Measures : Industrial point of view during COVID-19 Pandemic (CICA Business Council Board Meeting)

Demand Side

- high decreasing of purchasing power
- Lock down policy towards lock down economic
- Broken supply chain
- Quick change of consumer behavior

Supply Side

- lack of financial liquidity
- supply chain disruption and high cost of logistic
- World travelling shock
- Delay of investment both short and long term

Operation

- confidence in healthcare system and handling for COVID-19 pandemic control for business sector
- Online and quick growth of online penetration including online security concerns

Uncertainty

- **New normal working and reform of new business model according to global COVID-19 pandemic control policy**

Directions and Concerns of CICA member

Proposal planning

- Online Business Matching between member countries
- Create Informative platform on CBM issues in which can do online accessing
- Looking for new economic opportunities through a clear challenge of CBM

Member collaboration issue

- SME Opportunity
- Finding host for Informative online website for SMEs regarding CBM issue
- Best Practice Sharing
