[*HAVE AGREED ON THE FOLLOWING:*] (-RUS) [*DECIDE TO CHART THE FUTURE COURSE OF OUR COOPERATION AS FOLLOWS:*] (+RUS)

[I. Reaffirming Our Values, Principles and Objectives] (-RUS: *suggests drafting the whole text of the document and then, if it is necessary, dividing it into chapters*)

[1. [We remain committed to our common values, principles and objectives enshrined in] (-RUS) the Declaration on the Principles Guiding Relations between the CICA Member States of 14 September 1999 and the Almaty Act of 4 June 2002 [as its integral part laid a firm foundation to the CICA process which will [be] (+IRN) further built upon and strengthened by] (+RUS) [and all] (-RUS) subsequent [consensus] (+ISR) (-PAL) CICA documents[,] (-RUS) [adopted by the Meetings of Heads of State or Government and Meetings of Ministers of Foreign Affairs;] (+RUS) [and to carrying forward the common values of peace, development, fairness, justice, democracy and freedom for all mankind.] (-RUS)] (RUS *suggests modifying and moving this para to the preamble as PP New9 above*)

[**OP New 1.** *We hereby launch the process of transforming CICA into a regional international organization, thus consolidating our unity, strengthening connectivity, developing mutually beneficial tangible cooperation and promoting indivisible and equal security in our region, and contributing to a stronger, more secure and sustainable Greater Eurasia.*] (+RUS: **modified OP II.5, see below**)

[2. We recognize the central role of the United Nations as a universal multilateral organization and reaffirm our commitment to the UN Charter, its principles and purposes, and to universally recognized norms and principles of

the international law, resolutely uphold the authority and status of the UN, and respect the rights of sovereign states to choose their own development path [, oppose unilateralism and abuse of sanctions, reject cold-war mentality and hegemonism, refrain from group politics and bloc confrontation.] (+CHN) (-ISR) (-IND)] (RUS to get back)

[**OP New2.** We remain convinced that effective multilateral cooperation based on the principles stipulated in the UN Charter is an important element in maintaining [regional and] (-IND) international peace and security, [and in spirit of principle of wide consultation, joint contribution and shared benefits, make continued efforts to build a balanced, effective and sustainable regional security architecture] (-IND) as well as to establish international relations based on mutual respect, [mutual sensitivity and mutual interests.] (+IND) [fairness and justice, and mutually beneficial cooperation for a community of shared future for mankind.] (-IND)] (+CHN) (-ISR: *Original paragraph 2 is similar and based on agreed language*)

[**OP New3.** We intend that the [new] (-IND) organization be [people] (-IND) [human] (-IND) -centered and pursue the goals of strengthening trust, amity and neighborliness among its member states, empowering our people and making our societies more resilient to [shocks, crises and emergencies] (-IRN) [turbulent regional and international environments] (+IRN).] (+RUS) (-ISR)

[3. We reaffirm the main objective and thrust of CICA to enhance [multilateral] (+IND) cooperation [through [practicing true multilateralism] (+CHN) (-ISR) [and] (+IRN) elaborating multilateral approaches] (-IND) towards promoting peace, security and stability in Asia and the Member States' commitment to take the necessary steps to develop CICA as a forum for dialogue, consultations and adoption of decisions and measures [on the basis of] (-ISR) [strictly by] (+ISR) consensus on [development and] (+IND) security [issues] (-IND) in Asia. (-RUS: *this idea correlates with para 4 of the preamble*)

[**OP New4.** We also envision the [new] (-IND) organization as contributing to dynamic, equitable, comprehensive and balanced economic growth, social and cultural development of its member states [and, therefore, of [Greater Eurasia] (-ISR) (-IND)] (-IRN) [Asia] (+ISR) (+IND).] (+RUS)

[**OP New5.** We will strengthen our collective work in order to seek joint

solutions for [the] (-IRN) [our common] (+IRN) [problems and crises] (-IND) [challenges] (+IND) of the 21st century [while heeding the legitimate interests and wishes of all of our peoples] (-ISR).] (+RUS)

4. [We emphasize that] (-RUS) our [future] (+RUS) cooperation will continue to be [based on the following fundamental principles:] (-RUS) [aimed at promoting the basic principles of consensus, equal partnership, mutual trust, mutual benefit, peaceful [co-] (-IND) development, consultation and respect for cultural diversity, while taking into account specific features and characteristics in various parts of our region.] (+RUS)

[The member states of the [new] (-IND) organization will undertake to promote peace, security, stability, prosperity and human resources development in the region, including through] (+RUS):

- [the deepening of relations, the promotion of mutual] (+RUS) respect for [the independence, [sovereignty, equality] (-ISR) [sovereign equality] (+ISR) and national identity of all nations] (+RUS) [sovereign equality and [the rights inherent in] (-IND) sovereignty [including the foundational principle of state concerned] (+ISR)] (-RUS) (-IRN);
- respect for territorial integrity of the Member States [[as well as the right of every state to lead its national existence free from external interference, subversion or coercion]] (+RUS) (-IND) (-ISR: *same idea appears below: non-interference in internal affairs of the Member States*);
- [refraining from] (-RUS) (+ISR) (+IND) [renunciation of] (+RUS) (-ISR) (-IND) the threat or use of force [against the sovereignty, territorial integrity or political independence of the states] (-RUS) (+ISR);
- non-interference in internal affairs of the Member States;
- [peaceful] (-RUS) settlement of [differences or] (+RUS) disputes [through dialogue and consultation] (+CHN) [by peaceful means] (+RUS);

- [disarmament and arms control];
- economic, social and cultural cooperation; and
- respect for human rights and fundamental freedoms.] (-RUS) (+IRN)
- [and effective cooperation] (+RUS)

[5. We recognize that our security is common [, comprehensive, cooperative, sustainable,] (-IND) [and] (+IND) indivisible [and equal,] (-IND) and that the

challenges in our region are complex and interrelated and require stronger cooperation, joint [actions] (-IND) (-ISR) [efforts] (+IND) (+ISR) and coordinated responses from the Member States [[by upholding the principle of indivisible security to maintain security in both traditional and non-traditional domains as well as] (-IND) to cope with [regional disputes and] (-IND) global challenges such as terrorism [,] [and] (+IND) climate change [,] [.] (+IND) [illicit drug production and traffic of narcotic,] (+IRN) [cybersecurity and biosecurity.] (-IND)](+CHN) (-ISR).] (RUS to get back)

[6. We [[are committed to promoting common security with positive response to Global Security Initiative, and]] (+CHN) (-ISR) (-IND) will continue full, equal and comprehensive implementation and observance of the principles, provisions and commitments enshrined in the Almaty Act. We reaffirm [all] (-ISR) [the] (+ISR) CICA objectives contained in the Almaty Act [and all] (-ISR) [as well as in] (+ISR) (-PAL) subsequent CICA documents adopted by the Meetings of Heads of State or Government and the Meetings of Ministers of Foreign Affairs.] (RUS to get back) (IRN to get back)

[[**OP New6.** We are committed to [upholding the philosophy of development that is innovative, coordinated, green, open for the benefit of all, promoting cooperation in the spirit of Global Development Initiative, enhancing docking of development strategies, accelerating] (-IND) the implementation of 2030 Agenda for Sustainable Development and its 17 goals.] (+CHN) [based on the national policies and circumstances of each Member States.]] (+IRN) (-ISR)

[[**OP New7.** The situation in the Middle East continues to cause concern and we call on all interested parties to implement related UN resolutions to achieve a peace, security and stability in this region. We also consider it essential to revive negotiations on the Middle East Peace Process, in order to achieve the two state solution, based on international law, relevant UN resolutions and the Arab Peace Initiative on two sovereign states living next to each other in peace, harmony, tranquility and security. We stay committed to the right of Palestinians to have an independent, and fully sovereign Palestinian state on the border lines of 4 June 1967, with East Jerusalem as its capital, and we strongly support the Historic Hashemite Custodianship of the Holy sites in the Holy City of Jerusalem. We stand firm against any unilateral decision that might lead to changing the status quo of the holy city of Jerusalem. We remain fully concerned about the

current financial situation of The United Nations Relief and Works Agency.]]
(+PAL) (-ISR)

[Alt OP New7. We express support of the recent developments in the Middle East with the historic signing of the “Abraham accords” and the tripartite declaration. These peace agreements that established full diplomatic relations between Israel, UAE, Bahrain and Morocco will strengthen regional cooperation in various fields and promote peace, economic growth and prosperity. We call all interested parties to support the efforts to achieve peace, security and stability in this region. We also consider it essential to revive negotiations on the Middle East Peace Process, in order to achieve an agreed solution between Israel and the Palestinians.] (+ISR)

[II. Giving a New Impetus to Our Forum] (-RUS)

[1. We are [determined to give] (-ISR) [positively considering giving] (+ISR) a new [political] (-ISR) impetus to CICA, thus enabling it to play [a bigger] (-ISR) [an important] (+ISR) role in promoting common [, comprehensive, cooperative, sustainable,] (-IND) [and] (+IND) indivisible [and equal] (-IND) security in its region and to contribute to building (-ISR) a stronger and more secure and prosperous [Asia] (-RUS) (+ISR) (+IRN) [Eurasia] (+RUS) (-IRN) (-ISR).] (RUS to get back)

[2. We are [resolved] (-ISR) [positively considering] (+ISR) to further consolidate our unity, progress to a new level of interaction and cooperation within CICA, strengthen the international standing and capacity of our organization, and thereby enhance the role of our Member States and the entire Asia [in the global [security] (-IND) [governance] (+IND) architecture.] (-ISR)] (RUS to get back)

[3. We [undertake to step up our efforts] (-ISR) [aim] (+ISR) to further strengthen CICA as an organization, utilize its potential to the fullest and make it as effective as possible in order to develop and implement effective consensus-based multilateral approaches to cooperation, security and confidence building measures (CBMs) [on the [Asian] (-RUS) (+IRN) (+ISR) [Eurasian] (+RUS) (-IRN) (-ISR) continent] (-IND) [in Asia] (+IND).] (RUS to get back)

[**OP New7.1.** The [new] (-IND) organization will strive to create an open and interconnected region where all our peoples can live in security and prosperity.] (+RUS)

[**OP New7.2.** The [new] (-IND) organization will interact with other states, organizations and fora sharing the same core principles for the purpose of strengthening results-oriented consensus-based multilateral cooperation in our region.] (+RUS)

[**OP New7.3.** The member states of the [new] (-IND) organization will abide by all the rules and procedures adopted by it.] (+RUS) (-ISR)

[[**OP New7.4.** The [member states of the] (-IRN) new organization will work to prevent any unlawful actions directed against [it] (-IRN) [its member states] (+IRN).]] (+RUS) (-ISR) (-IND)

[[**OP New7.5.** The member states of the new organization will renounce the use of any unilateral action[s] (-IRN) against one another, including sanctions, aimed at causing political, social or economic damage or deteriorating the life of our citizens.]] (+RUS) (-ISR) (-IND)

[**OP New7.6.** [The transformation process does not imply that] (-ISR) a member state, observer or partner of CICA will [automatically] (-ISR) [have the right to choose to] (+ISR) become a member state, partner or observer of the [new] (-IND) organization.] (+RUS)

[**OP New7.7.** The [new] (-IND) organization will [refrain from interacting in any form with] (-IND) [interact and cooperate in areas of interest of all Member States with] (+IND) any other state[s] (+IND), organization[s] (+IND) or forum[s] (+IND) that [employs unilateral means of coercion, including sanctions, or does not] (-IND) share its goals and principles.] (+RUS) (-ISR)

[[**OP New7.8.** The work of the new organization will [not] (+ISR) be directed against [no other state, organization or forum] (-ISR) [any member state of CICA] (+ISR).]] (+RUS) (-IND)

[4. To reflect this determination, the Conference on Interaction and Confidence Building Measures in Asia will henceforth be known as the

Organization for Interaction and Cooperation in Asia (OICA). The change in name from “CICA” to “the OICA” alters neither the shared values and fundamental principles of CICA nor its goals and objectives. All references to CICA will henceforth be considered as references to the OICA.] (-RUS: *it is premature to fix the name of a future organization as this issue is a subject for discussion*)

[5. We hereby launch the [structured[, inclusive, transparent] (+ISR) negotiations process of gradual, incremental[, inclusive, transparent] (-ISR) and consensus-based transformation of the OICA] (-RUS) [process of transforming CICA] (+RUS) into a [full-fledged] (-RUS) [regional] (+RUS) international organization[, thus consolidating our unity,] (+RUS) [through further institutionalization and] (-RUS) strengthening [connectivity, developing mutually beneficial [tangible] (-IND) cooperation and promoting [common and] (+IND) [indivisible [and equal] (-IND)] (-ISR) security in our region, and contributing to a stronger, more secure and sustainable [[[Greater Eurasia]]] (-IRN) (-ISR) (-IND) [[[Asia]]] (+IRN) (+ISR) (+IND).] (+RUS) [the capacity of our organization, while building on what is achieved by CICA so far.] (-RUS)] (RUS *suggests moving this para to the beginning of Chapter I as OP New1 above*)

[III. Defining Our Future Vision] (-RUS)

[1. The CICA Catalogue of Confidence Building Measures will continue to be our core instrument for guiding practical implementation of specific CBMs in and across the five dimensions of cooperation [within the OICA] (-ISR) - the military-political, new threats and challenges, economic, environmental and human dimensions, on bilateral and/or multilateral basis.] (-RUS: *it is premature to mention the Catalogue of CBMs in the document as at this stage it is unclear which areas of cooperation new organization will cover*)

[2. In developing and carrying out our CBMs we will act in accordance with the principles of the UN Charter, international law and principles and objectives of the [OICA] (-RUS) (+IND) [[future organization]] (+RUS) (-IND), will take into account specific features and characteristics in various parts of [[[Asia]]] (-RUS) (+IRN) (+ISR) (+IND) [[[Eurasia]]] (+RUS) (-IRN) (-ISR) (-IND) and proceed on a gradual and voluntary basis.] (RUS to get back)

[OP New8.1. The process of transforming CICA will pursue the following three drivers:

- establishing the future organization's core principles of operation,
- defining the overarching areas of our future cooperation, and
- strengthening the organizational base of our interaction.] (+RUS) (-ISR)

[**OP New8.2.** We will steer the transformation process in such a manner as to utilize in a most effective way the opportunities presented by the rapid change of the world order, taking into account new tasks, challenges and threats arising from this change and remaining cognizant of the evolution of other multilateral processes taking place in [[Greater Eurasia]] (-IRN) (-IND) [the geography of Asia and beyond] (+IRN) [Asia] (+IND).] (+RUS) (-ISR)

3. [We reaffirm the current institutional structure of the [OICA, with its major elements and minor adjustments outlined below] (-ISR) [CICA and as part of the consultation process will consider] (+ISR).] (-RUS)

(1) [To recognize the permanent nature of the governing bodies of the OICA,] (-RUS) [As the first major step of the transformation process,] (+RUS) the Meeting of Heads of State or Government (Summit) and the Meeting of Ministers of Foreign Affairs (Ministerial Meeting) [shall henceforth] (-ISR) [could] (+ISR) be referred to, respectively, as the Council of Heads of State or Government (Summit) and the Council of Ministers of Foreign Affairs (Ministerial Council).

(2) The Summit, Ministerial Council and the Senior Officials Committee (SOC) shall remain the governing bodies of the [OICA] (-RUS) [future organization] (+RUS).

(3) [We agree that] (+RUS) (-ISR) The Summit[s] (+RUS) and Ministerial Council[s] (+RUS) [will] (-RUS) [shall] (+RUS) be convened [by the [OICA] (-ISR) Chair] (-RUS) [[biennially] (-CHN) [every four years] (+CHN)] (-ISR) [every three years] (+ISR) with [a [one-year] (-CHN) [two-year] (+CHN)] (-ISR) [eighteen months] (+ISR) interval between [Summit and Ministerial Council meetings.] (-RUS) [them.] (+RUS)

[**OP New9.** We further agree to convene the next CICA Summit in 2024 and the next Ministerial Council in 2023 in order to review the transformation process.]] (+RUS) (-IND) (ISR: *dates will be determined according to paragraph 3*)

[(4) The Member State holding Chairmanship in the [OICA] (-RUS) [future organization] (+RUS) will be responsible for coordination, consultation and communication on current [OICA] (-RUS) [future organization] (+RUS) activities between Summit meetings, for presiding over the work of the governing bodies and for external representation, and will be assisted by the Secretariat. The tenure of Chairmanship may be extended by the Member States for further two-year terms.] (RUS to get back)

(5) [In order] (+RUS) (-ISR) To reflect the role of Executive Director [of the CICA Secretariat] (+RUS) as the [forum's] (+RUS) Chief Administrative Officer [of the OICA and head of its Secretariat] (-RUS), [we agree that] (+RUS) (-ISR) this position [shall henceforth] (-ISR) [could] (+ISR) be referred to as Secretary[-]General (+RUS) of [the OICA] (-RUS) [CICA] (+RUS), while preserving its functions.

[(6) The Secretariat will remain the permanent executive body of the [OICA] (-ISR) [new organization] (+ISR) and will continue functioning in accordance with the Almaty Act, the Nur-Sultan Charter, the Statute of the Secretariat and other mandates and tasks set by the Member States. The [OICA] (-ISR) [new organization] (+ISR) Secretariat shall continue to enjoy such legal capacity as is necessary for the exercise of its functions in the territory of each Party to the 2010 CICA Convention on Privileges and Immunities.] (RUS to get back: *there is a conflict of laws in this para as legally binding CICA Convention on Privileges and Immunities deals only with CICA and does not cover a new organization*)

(7) [The] (+RUS) Current institutions of [the OICA -] (-RUS) [CICA, namely] (+RUS) the Council of Eminent Persons, Business Council, Youth Council and Think Tank Forum [-] (-RUS) will continue functioning as advisory bodies [to the [new] (-IND) organization] (+RUS), in accordance with the mandates set by the Member States. [We have established an OICA Fund as a mechanism for voluntary funding of OICA project activities.] (-RUS) (ISR: *this sentence should match the decision regarding the CICA Fund*)

4. [[In the view of the above changes,] (+RUS) We task the [CICA Council of Senior Officials and] (-ISR) [If the above institutional structure will be agreed upon, by consensus, by all member states,] (+ISR) the CICA] (+RUS) Secretariat [[with submitting] (-ISR) [will submit] (+ISR) to the Member States, through the Chairmanship, proposals for amendments] (+RUS) to [correspondingly amend]

[+RUS) the relevant CICA documents [, as appropriate, in order to align them with the newly introduced terms and, where necessary, to reflect current practices and experience gained.] (-RUS)

[**OP New10.** We pursue a structured transformation process of CICA and, therefore, task our Ministers and Senior Officials to work out by the next Summit in 2024 a conceptual and institutional base for the said organization, including, but not limited to:

- title;
- geographical area of operation;
- primary dimensions of cooperation;
- instruments of cooperation;
- status and role of the governing and executive bodies;
- membership criteria;
- rights and obligations of members;
- chairmanship;
- interaction with third parties;
- status, structure and staffing of the Secretariat;
- appointment of the Secretary-General;
- working languages.] (+RUS) (-ISR)

[5. [The transformation process of the OICA will be carried out through structured discussions by the Member States, who will determine, when and as appropriate, further directions,] (-ISR) [As part of the consultation process of CICA, the member states should consider the topics below, including but not limited to the] (+ISR) specific elements, medium- and long-term goals and timelines of the transformation process[, including but not limited to the following] (-ISR):
