**ANNUAL ACTION PLAN  
of the 2023 CICA Think Tank Forum (TTF)**

December 20, 2022

According to the p.4.6 of the Regulations of the CICA Think Tank Forum, activities of the TTF shall be based on an annual action plan, which is developed and agreed upon by the TTF Members under the coordination of the Chair of the Forum.

Annual action plan of the CICA Think Tank Forum must be approved by a decision of the Senior Officials Committee.

As the Chair of the CICA TTF, the Shanghai Institutes for International Studies (SIIS) proposes the following activities to strengthen exchanges among CICA TTF members:

1. The Eleventh CICA Think Tank Forum, held in November or December, 2023. The Forum will bring together representatives from think tanks of the CICA Member States to address CICA's top priorities, discuss regional security issues, and provide policy recommendations on the development of CICA.
2. Several small-scale thematic seminars in accordance with the top priorities on the regional security agenda, which serve as a platform for dialogues in areas of energy, food, climate, economic and trade, and industrial chain. TTF members may volunteer to be the leading organization (moderation) in each area.

3. Information and analytical support to the activities of CICA, including through the preparation of analytical, research and forecast reports in all dimensions within the framework of CICA. Joint reports may include: Asia security outlook 2023, Asia security review 2023, top 10 CICA news events, etc.
4. Establishment of the CICA TTF focal points network. Members of the TTF undertake to appoint, as soon as possible, persons responsible for relations with the TTF from among the research staff.
5. Joint research activities and exchange of experience and research materials. Establish a communication channel for the regular exchange of scientific ideas and hypotheses, reactions to current events, debates and brainstorming sessions on various issues of scientific and practical interest.
6. Exchange of information among TTF Members. TTF members may submit their publication information to the Secretariat to produce a catalogue of publications of the TTF member institutions. The goal of this catalogue is to provide mutual access to the publications of TTF colleagues.
7. Discussion of the next chairmanship. There are two options - transfer of the Chairmanship to another member of the TTF or extension of the Chairmanship. At the same time, the Chairman of the TTF is appointed by the Chairman of the CICA.
