# STRATEGIC LOCATION

**New state infrastructure program Nurly Zhol with 112 investment projects \$13 billion by 2025**

## ROLE OF KAZAKHSTAN IN THE NEW LAND-SEA CORRIDOR

Routes	Distance, km	Travel time, days
Through Kazakhstan	9-10 ths.	13-15
Trans Siberian route	11-12 ths	18-20
The Northern Sea Route	14 -15 ths.	33-35
South Sea Route	23 000 ths.	45-60

# OPPORTUNITIES IN AGRIBUSINESS

## Investment Attractiveness of Kazakhstan's Agro-Industrial Complex:

1. **210 million hectares of agricultural lands** (world ranking #2 by arable land per capita), including 180 million hectares allocated for pastures.
2. **Access to world's major markets** (China, Russian Federation, Middle East, and Southeast Asia).
3. **Comprehensive support by the Government.** Various incentives & subsidies, business-friendly environment, investors' rights protection.
4. **Significant social impact and skilled labor force.** 20% of the employed population is engaged in agriculture and food production.
5. **Vast opportunities across the subsectors.** The 5 directions have potential for international expansion:

Oilseeds

Cereals  
processing

Dairy

Fruits and  
Vegetables

Meat
