Officials and scholars from Israel, Jordan, Kyrgyzstan, Tajikistan and other CICA countries attended the meeting online.

## **II. MAIN OUTCOMES**

### **1. The 2021 CICA Finance Summit Jinan Proposal**

The Summit adopted the 2021 CICA Finance Summit Jinan Proposal, which was an important achievement in consolidating the consensus of CICA member states on financial cooperation. The Proposal appreciated the work done by China since it became the coordinator in the financial sector of CICA, stressed the importance of multilateralism and open economy, called for strengthening cooperation on green finance and inclusive finance, promoting sustainable development and the process of poverty reduction in the CICA region.

### **2. The 2021 CICA Financial Cooperation Report**

The CICA Financial Cooperation & Think Tank International Roundtable, released the 2021 CICA Financial Cooperation Report with title "New Changes, New Thinking, New Paradigm -- CICA Pragmatic Financial Cooperation under Changing Times". The report stressed on analyzing new changes brought to the CICA region by COVID-19, put forward some new thinking on financial cooperation within the CICA framework, and gave a series of suggestions on constructing a new paradigm of CICA financial cooperation under the guidance of the development financing.

### **3. Promoting local cooperation within the CICA framework**

Local cooperation is an integral part of international cooperation. Jinan-CICA Local Cooperation roundtable, with the theme of "Diversified and Inclusive CICA Region, Open and Pragmatic Local Cooperation", aimed to consolidate the civil society foundation and expand local cooperation among CICA Member States.

### **4. 'Chinese enterprises became CICA countries' favorite'**

In the CICA Industrial and Financial Cooperation & Investment Promotion Seminar, envoys of Afghanistan, Bangladesh, Cambodia, Sri Lanka, Uzbekistan were devoted to introducing their investment advantages and inviting Chinese enterprises to invest in these countries. As an innovation of this summit, this undoubtedly explored a new way for China and CICA states to know each other better.

## **III. FEATURES**

### **1. High profile of participants**

This year, the profile of participants was the highest since the founding of the CICA Finance Summit. Domestic guests included 12 cadres above vice-ministerial level in China government. 17 envoys to China, included 2 ambassadors, 1 minister, and 10 counsellors.

### **2. Wide involvement of CICA countries**

This summit received strong support from CICA countries online and offline, covering two-thirds of 27 CICA member states, demonstrating the growing influence of Finance Summit within CICA framework.

### **3. Valuable topics**

The summit focused on "Extensive Consultation, Joint Contribution and Shared Benefits", upheld multilateralism, and as well selected timely sub-topics such as public health, green development, local cooperation, fin-tech, capital market, inclusive finance, poverty reduction and economy recovery.

### **4. Innovation in propaganda**

This year's summit launched a bilingual live for the first time, greatly expanding the influence and target audience of the summit. Live reached 16.5 million users, was watched 46.2 million times with a maximum of 1.7 million people online simultaneously. CICA Secretariat released news on its official website, Facebook, and Twitter etc. The summit was also repeatedly reported in China by CCTV, People's Daily, Jinan Daily, Weibo and Tik Tok etc.
